

— YOUTH & HIGH SCHOOL ATHLETES · WANDO WOODS · NORTH CHARLESTON —

SPRINT FASTER. JUMP HIGHER. IN THE PARK.

— WHAT WE TRAIN

01 SPRINT MECHANICS Acceleration, max velocity & change of direction. Fix how your athlete runs before asking them to run faster.	02 VERTICAL JUMP Plyometric progressions & explosive power. Jump height, reactive strength & landing mechanics.	03 AGILITY & POWER Athletic movement patterns & sport-specific conditioning built for game day performance.

— ABOUT THE PROGRAM

Your neighbor Coach Adam Oliver brings pro-level sport performance training right here to Wando Woods — no gym needed. We train at the park, your backyard, or anywhere that works for your group.

Small groups of 3–5 athletes get individualized coaching in a team environment. Flexible scheduling built around your athlete's season and school calendar. All sports welcome — **Adam's got you covered.**

Must connect with Adam before your first session so he can discuss your athlete's goals and bring the right equipment.
